

Hi Triad Bridge Club Friends,

What a week it's been! The Triad Bridge Club has made a successful transition to its new digital platform. Although we're still working through a few kinks, for the most part the move hasn't been too tough. We're still having a few players with connection problems, and a few more who are getting the hang of the software, but we're getting through it! If you still haven't had the chance to play a game online yet, let me know what's holding you back... I can help!

I want to again sincerely thank each of you for participating and supporting the TBC. These are uncertain times, and it's nice to have the shared bond of our love of this unique game we all play. It's wonderful to be able to "see" and talk with the friends that we've seen on a weekly or monthly (or in Fran's case, daily) basis for so many years. Quarantine just doesn't seem as lonely with you all there... I hope you feel the same!

Here's the week in pictures... check out what your friends look like after 3 or 4 weeks sequestered at home:
