Afternoon Games Update: Last week we started charging \$3 for all our afternoon games as a step to create viable, reasonable-sized games. Overall we made good progress but still have a ways to go. The following table is a game size history for last week's afternoon games.

	19-Nov	20-Nov	21-Nov	22-Nov	23-Nov	24-Nov	25-Nov	
Afternoon	Sat	Sun	Mon	Tues	Wed	Thurs	Fri	Avg
Limit Games	9	3	15	11	6	NG	0	8.8
Open	0	7	6	3	0	NG	9	5.0
Stacked Tables	9	3	15	14	-	NG	0	
Total Open Tables	9	10	21	14	-	NG	9	12.6

Three of the 12 scheduled games failed; there were no games on Thanksgiving afternoon. The five Limited games that ran averaged 8.8 tables. The five open games that ran averaged 5 actual tables and 12.6 stacked tables. Masterpoints are awarded based on the number of stacked tables. This was a significant improvement over the prior week when the game fee was \$5 instead of \$3. Given this success, we hope the game size will grow like a snowball rolling down a hill. Come support our \$3 games that are \$2, \$3, or even \$4 less than other available games. **Have fun, and play more often for less!**

For one penny more! Since BBO raised the price of their 18-board games to \$2.99, our afternoon games are only one penny more than BBO's games and award black points instead of colorless points.

Robbie & Robette invite you to play! Game times are 8:00 am, 11:30 pm, 4:00 pm, and 8:00 pm. Win BLACK points! **Everyone can play!**

Bridge Tidbit – The meaning of Thanksgiving: 25 people, 5 dogs, 1 cat, and 2 parrots! It was great, but thank goodness they are gone! **Hope you had a great holiday!**
