Cary

Wednesday Eve Open

Macon

Thursday Afternoon Open

Athens - Fred Tompkins

Friday Morn 1500 * Open

Vanderbilt

Help us support our member clubs!

Thursday is SWISS Team night!

Get your teammates. Come join the game!

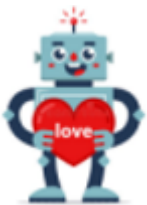

199er Corner: Come play in Bruce

Thompson's **199er** game on **Monday and Tuesday morning at 9:15**. These games are listed under **VACB243535 Savannah Bridge**. **Bruce, aided by his pithy able assistant, Esther Klinktoast-Houstonhousen**, has written many witty and helpful articles! Click on Esther's picture to access Bruce and Esther's treasure trove!

If you have a problem registering for the Savannah 199er games, call Bruce Thompson at 979-229-3764. [Click here to go to the Savannah Club website.](#)

Swiss Team and Mentor-Protégé Game Surveys: The results are in! No real interest at this time in a Mentor-Protege game. BUT lots of interest in a **Weekly SWISS TEAM** game. So, starting this Thursday night we will run a Swiss team game at 7:00. Organize your team or join another pair or others to form a team at the Partnership desk. We plan to have five four-board 24-minute rounds.

Robbie & Robette invite you to play! 749 and Open game times are 8:00ish am, 12:30ish, 4:30ish, and 8:00ish pm. Win BLACK points! Limited game tables are added to the open game tables to award more MPs. Since only human pairs are counted as visitors, the robot challenge games help keep our visitor percentage low! **Everyone can play!**

Bridge Tidbit – **What type of signal?** Your Partner's Opening Lead is the Ace of Clubs. The Dummy comes down and has the KQ7 of Clubs. What type of signal do you give your partner? Attitude, Count, or Suit Preference? Attitude makes no sense because both you and your partner can now see the A, K, and Q. Count does not tell your Partner anything. We have a winner! We want to give a suit preference signal! This is true whenever the Dummy has the card(s) that an Attitude signal would indicate you have!

SE Carolina Academy Lesson Info: 1C Escape Convention. Your partner opened 1C, you have S 9876 H 9876 D 9876 C 2. What do you do? If you Pass, your partner may have only 2, or 3 C's. Ugh! The 1C Escape Convention is a simple way to protect yourself from this possibility. Click on the following icon for the lesson.

When watching a YouTube lesson video, click on **“SUBSCRIBE”** and **“LIKE”**. Give my ego a boost! All our online lessons can be accessed for free through the following webpage.
