

# UNIT 169 BOOSTERS

January – December 2024

**MISSION:** Our mission is to provide challenging and fun bridge tournament experiences for Central Carolina Bridge Association members.

**FOCUS:** Our focus is to successfully execute four quality bridge tournaments each year. This entails using great venues with easy access and parking, clean facilities, providing appropriate snacks and beverages, and using qualified ACBL directors. To achieve this goal, we need additional financial support. We are asking our friends who love this game to help.

The cost of hosting a quality tournament has increased; and as we build back our attendance at our tournaments, entry fees do not completely cover our cost. Therefore, we are seeking a yearly contribution from those who can and are willing to help. By securing appropriate funding up front, we can plan and budget appropriately for each tournament.

Those who chose to help will become members of the “**Unit 169 Boosters.**” There will be recognition and appreciation events for those who contribute. **We accept checks in the amount of your choosing, made payable to “Central Carolina Bridge Association,” and mailed to 2318 Kirkpatrick Place, Greensboro NC 27408.** Please contact Dixie Culver, Unit Secretary/Treasurer, at [culverdix@yahoo.com](mailto:culverdix@yahoo.com) or (336) 457-7107 if you have any questions.
