

More Information Regarding River Landing Play Online

The River Landing club is #274936

Dear RL Players,

ACBL is working with BBO so that we can have our bridge club play online, club-specific. A line from the email I received this week: "In the meantime, if they have not yet done so, encourage your players to [create an account with BBO](#) and ask them to link their ACBL member number with their account."

Every day now there are three games offered where you can play with your partner...at 10:00 am, 5:00 pm, and 7:30 pm.

When you go into BBO (Bridgebase Online) you'll see on the right-hand side of the screen some messages. One of them is Account. One has the ACBL logo and it says, "Support Your Club ACBL Black Point Game (Daily)." If you click on the message, directions will be given on just what to do.

I'll also list them now:

- Click on ACBL World (you'll see it on the left-hand side of the screen)
- Click on 'Support Your Club ACBL Black Point Game' (RL is club #274936)
- Type your partner's name in the invite box and click the box.

It's that easy. Then play 18 boards for \$5.

Jeannette Snipes, Director
River Landing at Sandy Ridge (Colfax)
