

DISTRICT 7 MASKING POLICY

District 7 is following the ACBL policy of requiring all tournament attendees to be fully vaccinated against Covid-19. “Fully vaccinated” means that it has been at least two weeks since you received the second Pfizer or Moderna shot, or since you received a single-dose vaccine. Please do not plan to attend any District 7 regional or sectional unless you can provide proof of vaccination. No exceptions will be allowed. In addition, District 7 encourages, but does not require, each eligible individual to get the booster shot when it becomes available to you.

Any tournament staffed by the ACBL requires masking of players, staff, and volunteers unless community transmission rate is below “substantial” (as determined by the CDC or a similar metric from a health agency) a week before the start date of the tournament. Whether or not masks are required, masking is always recommended. This ACBL policy does not countermand any ordinance or law in effect at the site of the tournament.
